BELLY UPS: Suspenders for your growing belly

One of the best things about getting pregnant is getting to invest in a cute new wardrobe. Unfortunately, once you slip on your very first pair of maternity jeans you are hit with a reality that is not so cute: that you will spend the next several months tugging at your pants to keep them from revealing “plumber’s crack.”

BELLY UPS is a quite simple and yet genius product. Designed to keep your low-rise pants up, the small suspenders (you hook one side to your bra and the other side to the elastic on your pants) are undetectable under clothing.

Tori Spelling, Marcia Cross, Brooke Burke, Heidi Klum, Jennie Garth, Gillian Anderson and **Kristy Swanson** are just a few celebrities who are fans of **BELLY UPS**.

BELLY UPS are made from nylon elastic and are machine washable. Choose from Black, Nude or Pink Hearts. **BELLY UPS** will run you about \$13 and are available on the web at www.bellyups.com.
