

Belly Ups - Keep Your Pants Up

The secret to success in wearing clothes in your first through third trimester!!! BELLY UPS keep your low-rise pants up! Undetectable under clothing, completely comfortable to wear, and were easy to use and soo comfortable!. BELLY UPS are a "must have" for any woman with a bump!

We tried them with skirts too and they worked like a charm! They can be worn from the beginning of pregnancy up until the end (and beyond!). You can still wear BELLY UPS after pregnancy to help keep your pants up and always look your best!

BELLY UPS make a great stocking stuffer or cute gift for all the fabulous women in your life!
